

# Holy Redeemer HomeCare

One of the largest nonprofit home health and hospice providers in New Jersey and Southeastern Pennsylvania, Holy Redeemer HomeCare provides home health services across the full continuum of care: short-term recovery, chronic conditions and end of life care.

At Holy Redeemer HomeCare, we pledge to continue to provide safe, high-quality care for patients throughout the COVID-19 pandemic and beyond.

You can trust Holy Redeemer HomeCare.

## Home health care you can trust

Caring for your overall health and well-being is especially important during the global pandemic. Home health care allows you to get the skilled care you need without leaving the safety of your home.

Throughout the COVID-19 outbreak, Holy Redeemer HomeCare's highly skilled professionals continue to provide patients with high-quality, compassionate care. We work with our patient's health care teams and caregivers to develop and implement safe, personalized treatment plans.

Please be assured our team members follow the recommendations of the Centers for Disease Control and Prevention (CDC) and stringent infection control protocols to keep our patients, staff and the community safe and healthy.

**We practice Safe Care.** Every day, all team members will:

- Have their temperature taken and monitor themselves for any COVID-19 symptoms.
- Have their health status carefully screened and evaluated. If a concern is discovered, they will not go into your home without further evaluation and clearance by our Occupational Health team.
- Use appropriate personal protective equipment as recommended by the CDC, dispose of materials and disinfect between cases.
- Maintain physical distancing whenever possible.
- Practice good hand sanitation.

**To keep yourself safe:**

- Practice physical distancing as much as possible.
- Limit outside visitors at home. If a visit is necessary, make sure it remains short and that the visitor is healthy, with no COVID-19 symptoms of any kind.
- Wash hands frequently and thoroughly.
- Keep your home clean and disinfected.
