The 2024 Klassic

A great way to support Redeemer Health

For over 20 years, the Klassic has supported Redeemer Health at their Jersey Shore Food Pantry. In 1989, the Sisters of the Redeemer organized the pantry as an extension of Redeemer Health's home care services. The non-profit food distribution center provides non-perishable food items on a monthly basis to more than 5,000 families, who are sick, elderly and impoverished individuals in the Cape May County area. The need increases every year. Your continued generosity and support of The Redeemer Health Golf Klassic will help to further our mission. On behalf of our beneficiaries and their families, we thank you for your ongoing support.

Held at the Seaview Resort—the Jersey Shore's most iconic resort.

Set on 670 acres near Cape May, our grand hotel has welcomed countless luminaries and hosted innumerable events. On your next visit, we invite you to explore the Seaview Celebrity Wall just off the main lobby.
