Below is information for the Redeemer Health Scholarships available to full-time and part-time Redeemer Health employees, and to volunteers who have contributed 75 hours in the last 12 months preceding the date of this application.

Employee Scholarships are for the pursuit of studies in the field of nursing and include the:

- Margaret Helen Dudley Scholarship
- John and Helen Gallagher Scholarship
- Catherine A. and Edward A. Watson Scholarship

Our Volunteer Scholarships, also known as the Marion Borss Scholarships, are exclusively for volunteers pursuing further education for any health-related or applied science degree/certification.

Please visit www.redeemerhealth.org/scholarships and carefully review the application and the required documentation to apply for a scholarship.

Please use the following four-page application for all scholarships; you can submit one application for all available scholarships. If awarded a scholarship, you can receive only one scholarship per year. **Read all** application instructions carefully. If we are unable to review your application because it is unclear, incomplete, or inaccurate, it will be returned without consideration. Any delay may jeopardize the timely review necessary for selection.

If additional space is needed, attach extra sheets to your application. At the top of the added sheets, put the category of the application item for which you are supplying additional information.

Provide complete and accurate information. The Selection Committee will make its blind assessment solely on the information you provide; it is in your best interest to be thorough and factual, with details.

Please include the following with your completed application:

- Your tax returns for one previous year
- Appropriate scholastic records, including the necessary transcript(s)
- Three (3) letters of recommendation: two (2) from your instructors or school administrators and one (1) from a non-relative with some familiarity with you
